Report Cards: Just a reminder that report cards are not mailed out for grades 5-12. They will be available through Powerschool with your parent login. If you would like a printed copy, please call or email me at school and I will print on to send home with your child.

Thank you to all parents for ensuring your children were dressed appropriately for the cold weather during the December blast we endured. Thank you for your continued efforts with this.

I hope that everyone has a good break and returns to school refreshed and ready for another great Semester. Thank you for your support of the school. If you have any further questions or comments, please feel free to contact me or stop by and visit.

Educationally yours,

Preschool's Thanksgiving Feast

On the day before Thanksgiving, the Preschool room was full of wonderful sights and smells. The children were dressed in Pilgrim and Indian costumes that they had made themselves. We all feasted on food that each child had chosen to bring to school to share with the rest of the class. We gobbled up cookies that looked like turkeys, fruit snacks, chocolate covered pretzels, crackers, an assortment of vegetables, and many, many other delicious treats. We learned about the Pilgrims coming to America on the Mayflower, and also how the Indians helped them.

News and activity from Mrs. Ryan's Room

Students have been working to meet goals throughout the first semester. During small group sessions, students complete a variety of activities to improve student performance on reading, math and other needed areas.

Sixth graders are reading "Banner in the Sky," discussing the chapters/vocabulary, answering questions and taking multiple chapter tests. Fourth graders have been focusing on spelling, grammar, practice, daily language and math. Preschool has been identifying/writing letters and numbers. Kindergarten, First, Second, and Third grades have been progressing through the Reading Triumphs program. AR tests are taken frequently to meet monthly reading goals. Students are reminded to take advantage of access period, redo assignments and study for semester tests. Next semester we welcome Paige Stute, as she begins student teaching with us.

It has been exciting to see the students meeting goals, improving test scores and skills. It is wonderful to see kid's face light up when they make reading goals and raise reading levels due to practice and hard work. We look forward to what second semester has to bring.

Recently we had a special visitor in our classroom.

Mrs. Bowie's Classroom

This semester in my classroom we have had a competition for hundred percent in accelerated math. The first quarter my sophomores in Algebra 2 won with an 82% average and my eighth graders came in second with a 75% average. It was great to see my students succeed at this, and they are on the same track for second quarter. We have one week left for accelerated math before semester and right now my sophomores are at 86% average and my freshmen are at a 77% average. It is a close race and we will see who wins at semester. I am really excited for second semester for a great project that we do in Geometry with making kites. The students get so creative and it is fun to see them learn in a creative way. Hopefully this next semester the students do as great as they have done so far.

New Social Studies Curriculum

This past fall began the implementation of a new Social Studies Curriculum with the purchase of new textbooks for all the K-12th grade classes. This process began with the alignment of the Overton Public School Social Studies Curriculum with the new Nebraska State Social Studies Standards adopted in December 2012.

The new Social Studies textbooks adopted for the 5th to 12th grade classes were purchased to use the availability of the advancing technology being used at Overton Public Schools. All 9th to 12th grade textbooks were purchased in a digital format that were directly loaded onto each of the 9th to 12th grade students' ipads. As the inclusion of using ipads expands into the middle schools grades, this technology will also be available.

Numerous technology pieces are available for use in the classroom including many online resources such as an online interactive version of the textbook and access to the History Channel's many full length and video clips that enhance the lessons being taught. In the future students will be able to access and complete some assignments online as the staff and students become more familiar with using this technology.

ABC/PTO

Our next meeting will be Monday, January 6 at 7:30. We will be finalizing two fundraisers: concessions on January 24 and the Valentine Raffle starting January 27. We are in need of donations for prizes for the Valentine Raffle, if you have any ideas please let us know.

We will also be discussing the Book Fair in February and the teacher lunch on January 20. The ABC/PTO hopes to see kindergarten through sixth grade parents there. Remember these fundraisers and activities help support all the students in k-6 and it takes lots of volunteers to make it all happen!

If you would like to be notified, via text, of the meetings and events coming up, please send this text **@78db4** to **612-223-6479**. You will receive text reminders but you may not reply to the text. You can contact Mrs. Wallace if you have questions at: mandi.wallace@overtoneagles.org or call at 987-2424 ext. 105.

JANUARY'S CHARACTER TRAITS:

Commitment & Respect (MLK, Jr. Day)

IMPORTANT NOTICE FROM THE UNIVERSITY OF NEBRASKA AT OMAHA!!! UNO will no longer accept ACT or SAT scores sent from high schools starting with students entering in the summer or fall of 2015. These test scores **MUST** be sent to UNO DIRECTLY from the testing agency! Any student interested in attending UNO should make sure they choose UNO's code when registering for these tests. The scores will be sent to UNO for free. UNL already follows this policy for ACT scores. If any parent or student has any questions about this policy, please ask Mrs. Luther.

SENIORS: Have you checked out Overton's website? Click on the "College Information" link.

JUNIORS—it's never too early to look at this yourself! Another site available is SchoolSoup.com. It is supposed to be the largest scholarship database in the world. We have added this link to our website, as well.

SENIORS: If you think you might do your FAFSA online, you need to register for a PIN.

Dependent students must have their parents register. This may be done at www.pin.ed.gov. FAFSA is the form that allows you to receive college grants and loans from the government. You will not fill out the form until after the first of the year, but you can apply for your PIN anytime.

POTENTIAL COLLEGE ATHLETES: register with the NCAA clearinghouse! Come see me if you have any questions. ACT scores must be sent to the clearinghouse via ACT, not our school. PLEASE NOTE!!! The NCAA is changing eligibility rules beginning with this year's senior and freshmen classes. Division II schools have increased the number of core classes from 14 to 16. Division I has increased its minimum core class GPA from 2.0 to 2.3. They will also require that 10 of the 16 core course requirements be finished before the beginning of the student's 7th semester, or at the beginning of their senior year.

The NAIA has started a registration process for potential athletes, much like the NCAA. If you have a student interested in playing for one of these colleges, check out their website at www.playnaia.org.

The next ACT TESTING DATE is February 8th. Registration for that test is due January 10th, with late registration extending to January 24th. THIS ACT TEST WILL NOT BE GIVEN IN OVERTON!!! ACT tests will be in Overton in April and June. Students who qualify for free/reduced lunch prices may be able to receive a fee waiver from ACT. Remember you now **MUST** upload ACT reports that 70% of all test-takers now register online. They are encouraging as many

students as possible to sign up in this manner. Information is in Mrs. Luther's office; or you may go to act.org for details or to set up a free account.

MIDLAND UNIVERSITY is now offering Trapshooting as a scholarship sport at the school, fully sanctioned by the NAIA. See Mrs. Luther for more details if you are interested!!

The NEBRASKA Council On Economic Education is offering a summer workshop for high school juniors. This event will be July 27th to August 1st at UNL. The cost would be \$300. Details may be found at <http://www.nebraskacouncil.org>.

Students that may be interested in STUDENT EXCHANGE PROGRAMS, see Mrs. Luther. The ASSE International Student Exchange Programs have opportunities for summer, semester, or year-long exchanges to Europe, Asia, or the Americas.
