Powerschool Parent Access:

Hopefully everyone is able to access their student's Powerschool information. Remember that you are able to access your student's grades, lunch information, attendance, and many other items. You can also access their teacher's email address. This is an excellent way to keep in communication with the teachers. Thank you for supporting your child's education by staying involved.

Weather Reminders:

With the seasons changing, I would like to remind parents to help us by ensuring your child is prepared properly for the elements. Hats, gloves, heavy coats, boots, etc. need to be worn when necessary. We try to have outside recess as much as possible. If there is snow on the ground, students need to have snow pants and boots to be able to play in the snow. If they do not have these, they will have to stay out of the snow at recess. Thank you for your help with this matter.

Teacher Email Addresses:

We have moved our teacher emails to Gmail accounts. You can still use the @esu10.org emails, but please begin to make the switch to our Gmail domain @overtoneagles.org. Each teacher's email is the firstname.lastname@overtoneagles.org, for example (brian.fleischman@overtoneagles.org).

Reminder:

Just a reminder if siblings wish to attend their older/younger siblings events, they need to bring a note from home at least 2-days prior to the event. They will also need to have their homework made up ahead of time. Thank you for your cooperation.

Preschool Visits the Pumpkin Patch

On Thursday, October 4th, the Preschool Class had a very exciting day! We loaded onto the big yellow school bus and drove to the Pumpkin Patch at Gibbon. Most of the preschoolers had never been on a school bus before, so this was an extra happy day for us!

Once we got to the Pumpkin Patch, we saw Peanuts the Pony. Peanuts could nod his head yes to questions and eat corn on the cob. The best things we liked about Peanuts was when he let us pet him and feed him. We also saw fainting goats. Farmer Ron would walk up to the goats or touch them and they would stiffen up like a board and then fall to the ground. The kids and adults loved to watch them!

After watching and feeding the animals, the preschoolers rode on a hayrack to the field to pick their pumpkins. Sam, the farm dog, made the trip with us.

We also enjoyed seeing how far our pumpkins could go on the pumpkin slinger and playing on Farmer Ron's fun outside toys. The preschoolers and adults declared the field trip a huge success!

Mrs. Staehr and Mrs. Marshall would like to thank Mrs. Ryan for driving the bus, and all the moms for volunteering to help! The day was a victory because of you!!

Overton Dollars for Scholars group is always looking for new people who want to do a service for their community. We sponsor the 3-on-3 basketball tournament to raise scholarship money for our graduating seniors. This is our only fund raiser during the year and we have only two or three meetings in the fall to get ready for this event. If you wish to help even for just one year, we would be glad to have you participate. Feel free to contact one of us for more information. It is not too late to get involved!!

Student Council News

On September 27, 2012, we had our last Student Council meeting. While at the meeting, we discussed homecoming. We were informed that we had crowns, announcers, and a DJ for the coming event. Members were asked to clean up after the homecoming dance. We also discussed the coming blood drive on October 16, 2012. Student Council members agreed to help out with the event.

On Saturday, October 13th the Overton Volleyball Team hosted its second annual alumni tournament. Nine Overton alumni and FKC teams participated in the tournament. Several alumni volleyball players returned to enjoy the day seeing old friends and family while enjoying some court time. The volleyball team would like to thank the participating teams for their support. The Lady Eagles did a great job keeping the tournament running smoothly and working all of the needed jobs throughout the day. A BIG THANKS to all that helped in making the tournament a success!

FROM THE COUNSELOR'S DESK:

NOVEMBER'S CHARACTER TRAITS:

Citizenship and Speak With Good Purpose

IMPORTANT NOTICE FROM THE UNIVERSITY OF NEBRASKA AT LINCOLN!!! UNL will no longer accept ACT or SAT scores sent from high schools starting with students entering in the summer or fall of 2011. These test scores MUST be sent to UNL DIRECTLY from the testing agency! Any student interested in attending UNL should make sure they choose UNL's code when registering for these tests. The scores will be sent to UNL for free. If any parent or student has any questions about this policy, please ask Mrs. Luther.

SENIORS: Have you checked out Overton's website? Click on the "College Information" link.

JUNIORS—it's never too early to look at this yourself! Another site available is SchoolSoup.com. It is supposed to be the largest scholarship database in the world. We have added this link to our website, as well.

SENIORS: If you think you might do your FAFSA online, you need to register for a PIN.

Dependent students must have their parents register. This may be done at www.pin.ed.gov. FAFSA is the form that allows you to receive college grants and loans from the government. You will not fill out the form until after the first of the year, but you can apply for your PIN anytime.

POTENTIAL COLLEGE ATHLETES: register with the NCAA clearinghouse! Come see me if you have any questions. ACT scores must be sent to the clearinghouse via ACT, not our school.

PLEASE NOTE!!! The NCAA is changing eligibility rules beginning with this year's senior and freshmen classes. Division II schools have increased the number of core classes from 14 to 16, a rule that starts with this year's senior class. Division I has increased its minimum core class GPA from 2.0 to 2.3. They will also require that 10 of the 16 core course requirements be finished before the beginning of the student's 7th semester, or at the beginning of their senior year. This will impact this year's freshmen students.

The NAIA has started a registration process for potential athletes, much like the NCAA. If you have a student interested in playing for one of these colleges, check out their website at www.playnaia.org.

The next ACT TESTING DATE is December 8th. Registration for that test November 2nd.

ACT tests will be given in Overton this year in October, December, April, and June. Students who qualify for free or reduced lunch prices may be able to receive a fee waiver from ACT. Please contact Mrs. Luther for more information. SENIORS: REMEMBER THAT

THE DECEMBER ACT TEST IS THE LAST TEST SCORE MOST COLLEGES WILL ACCEPT FOR SCHOLARSHIP APPLICATIONS!!!!!!

ACT reports that 70% of all test-takers now register online. They are encouraging as many students as possible to sign up in this manner. Information is in Mrs. Luther's office; or you may go to act.org for details or to set up a free account.

COLLEGE REPRESENTATIVES AT OHS! Several college reps. will visit our school this fall and spring. Juniors and seniors are invited to sign up in Mrs. Luther's office to attend the college presentations of their choice.

Meet the Teacher

What an exciting new chapter in my life to start here at Overton Public Schools. Some of you may know me but I am your new Family and Consumer Sciences teacher and Junior High Girls PE Coach: Kalen Prentice. I will also be serving as the 8th grade sponsor, FCCLA Adviser, and High School Track Coach.

I was raised in Arnold, Nebraska where I learned the importance of family and found a love for the small town atmosphere. I have always enjoyed being with my parents Stuart and Jenny, and siblings Cassie Stephens, Chase Prentice, and Tori Prentice. I am now blessed to have two nephews, Maximus and Hunter, from my eldest sister Cassie and her husband Nate. This past May, I graduated from Chadron State College where I participated in collegiate track for four years. (Go Eagles!)

Throughout my life, I have always found a passion for educating children within a fun and exciting setting. I first started helping teach children through 4-H which lead to being a counselor at the Nebraska State 4-H Camp in Halsey, Nebraska followed by going to Beach Lake, Pennsylvania to act as an aquatic director for Chestnut Lake Camp. These experiences will hopefully help me develop and encourage students to go outside their comfort zone to learn new things about life here at OPS.

I am excited to continue this journey and prepare Overton students for their future when it comes to the simple things in life through encouragement and inspiration. If you ever have any questions, feel free to contact me via email or phone.

God Bless!
