1. Receiving Your iPad & Check-In

1.1 Receiving Your iPad

iPads will be distributed each fall during iPad Orientation. 7th Grade Parents and students must attend an Information Session. Before receiving an iPad, students and parents must sign and return copies of the following document:

- Student Pledge for iPad Use, page 14
- Acceptable Use Policy (part of the Middle/High School Student Handbook)

Any student that needs assistance with iPad insurance fees should contact the principal.

1.2 iPad Check-In

iPads will be returned during the final week of school during student checkout so they can be examined for serviceability. If a student transfers out of the Overton Public School District during the school year, their iPad will be returned at that time.

1.3 Check-In Fines

Individual school iPads and accessories must be returned to Overton Public School at the end of each school year. Students who withdraw, are suspended or expelled, or terminate enrollment at Overton Public School for any other reason must return their iPad on the date of termination. If a student fails to return the iPad at the end of the school year or upon termination of enrollment, that student will be subject to criminal prosecution or civil liability. The student will also pay the cost of the iPad, or if applicable, any insurance deductible. Failure to return the iPad will result in a theft report being filed with the Dawson County Sheriff Department.

The student will be responsible for any damage to the iPad, consistent with the District's Insurance Agreement Form and must return the iPad and accessories in satisfactory condition. The student will be charged a fee for any needed repairs, not to exceed the replacement cost of the iPad.

2. Taking Care of Your iPad

Students are responsible for the general care of the iPad they have been issued by the school. iPads that are broken or fail to work properly must be taken to the Principal's office for an evaluation of the equipment.

2.1 General Precautions

- The iPad is school property and all users will follow this policy and the Acceptable Use Policy for technology.
- Only use a clean, soft cloth to clean the screen, no cleansers of any type.
- Cords and cables must be inserted carefully into the iPad to prevent damage.
- iPad and case must remain free of any writing, drawing, stickers, or labels that are not the property of Overton Public School.
- iPads must never be left in an unattended or unsupervised area.
- Students are responsible for keeping their iPad's battery charged for school each day.
- Students must keep their iPad in the protective case, provided by the school, at all times.

2.2 Carrying iPads

The protective case provided with the iPads has sufficient padding to protect the iPad from normal treatment and provide a suitable means for carrying the device within the school. The guidelines below should be followed:

- iPads must always be within the protective case.
- Limit the number of items carried within a backpack with the iPad to limit the amount of pressure applied to the iPad screen.
- Avoid bumping the iPad against any surface.

2.3 Screen Care

The iPad screens can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen.

- Do not lean on the top of the iPad at any time.
- Do not place anything near the iPad that could put pressure on the screen
- Do not place anything in your backpack that will press against the screen.
- Clean the screen with a soft, dry cloth or anti-static cloth. Use of harsh chemicals WILL damage the screen.
- Do not “bump” the iPad against lockers, walls, car doors, floors, etc. as it will eventually break the screen.

3. Using Your iPad at School

iPads are intended for use at school each day. In addition to teacher expectations for iPad use, school messages, announcements, calendars, and schedules may be accessed using the iPad. Students must be responsible to bring their iPad to all classes, unless specifically instructed not to do so by their teacher. The iPad is the property of Overton Public School. Therefore, school staff and administration have the right to check any material stored on a student’s iPad at anytime.

3.1 iPads Left at Home

If students leave their iPad at home, they are responsible for getting the course work completed as if they had their iPad present. If a student repeatedly (three or more times as determined by any staff member) leaves their iPad at home, they will be required to “check out” their iPad from the office for three (3) weeks.

3.2 iPad Undergoing Repair

Loaner iPads may be issued to students when they leave their iPads for repair in the office. There may be a delay in getting an iPad should the school not have enough to loan.

3.3 Charging Your iPad’s Battery

iPads must be brought to school each day in a fully charged condition. Students need to charge their iPads each evening. Only charge your iPad with the provided charger.

3.4 Screensavers and Backgrounds

- Inappropriate media may not be used as a screensaver or background photo.
- Presence of guns, weapons, pornographic materials, inappropriate language, alcohol, drug, tobacco, and gang related symbols or pictures will result in disciplinary actions.
- Passwords are not to be used.

3.5 Sound, Music, Games or Programs

- Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes.
- Music is allowed on the iPad and can be used at the discretion of the teacher.
- Internet games are not allowed on the iPads. If game apps are installed, they must

meet the requirements of the Acceptable Use Policy.

- All software/apps provided by the district, must remain on the iPad. Data storage will be through apps on the iPad and email to a server location.

3.6 Printing

Printing will not be available from the iPad. If students need to print anything from their iPad, they will need to email the document to themselves or their teachers to print from the email.

3.7 Home Internet Access

Students are allowed to set up wireless networks on the iPads. This will assist them with iPad use while at home. Printing at home will require the student to follow the same steps as if printing at school.

4. Managing Your Files & Saving Your Work

4.1 Saving Your Work

Students may save work to the home directory on the iPad on a limited basis. It is recommended that students email documents to themselves for storage on a flash drive or District server. Storage space will be available on the iPad – but it will not be backed up in case of re-imaging. It is the student's responsibility to ensure that work is not lost due to mechanical failure or accidental deletion. iPad malfunctions are not an acceptable excuse for not submitting work.

4.2 Network Connectivity

Overton Public School makes no guarantee that the network will be up and running 100% of the time. In the rare case that the network is down, the district will not be responsible for lost or missing data.

5. Software on iPads

5.1 Originally Installed Software

The software/apps originally installed by Overton Public School must remain on the iPad in usable condition and be easily accessible at all times. From time to time the school may add software applications for use in a particular course. The licenses for this software require that the software be deleted from iPads at the completion of the course. Periodic checks of iPads will be made to ensure that students have not removed required apps.

5.2 Additional Software

Students are allowed to load school appropriate software/apps on their iPads. Overton Public School will synchronize the iPads to update school provided apps. Students will be required to synchronize their iPad to update their personal and free apps required by the school. The following is a list of apps students are restricted from downloading to their iPads:

Facebook Messenger

Whisper

Snapchat

Vine

kik messenger

yik yak
askfm
Tinder
Slingshot
Any Vault app
Any texting app
Any VPN app

This is an initial list of banned apps. Apps can be added at the discretion of the administration. You will be informed by e-mail if an app has been added to the list and will have 2 days to remove the app from your iPad.

Consequences for downloading unapproved app,

1st offense - App store turned off on iPad for 1 week. Unapproved app removed by Mr. Christensen

2nd offense - App store turned off on iPad for 1 month. All non-school essential apps removed from iPad by Mr. Christensen.

3rd Offense - App store turned off on iPad for remainder of current Semester. All non-school essential apps removed from iPad by Mr. Br Christensen umm.

It does not have to be the same app to constitute a 2nd or 3rd offense. Anytime an unapproved app is downloaded, it will constitute an offense, ex. Facebook is downloaded in September. If you download Snapchat after you get your appstore turned back on, it will be a 2nd offense. Unapproved apps will be checked for daily through the management software. If you download an app at home and then delete it before school, this counts as an offense of downloading an unapproved app.

5.3 Inspection

Students may be selected at random to provide their iPad for inspection. These inspections may include an inspection of all material saved on the iPad.

5.4 Procedure for Re-loading Software

If technical difficulties occur or illegal software or non-Overton Public School installed apps are discovered, the iPad will be restored from backup to its original state. The school does not accept responsibility for the loss of any software or documents deleted due to a re-format and re-image.

5.5 Software Upgrades

Upgrade versions of licensed software/apps are available from time to time. Students will be required to check in their iPads for periodic updates and syncing.

6. Acceptable Use

The use of Overton Public School's technology resources is a privilege, not a right. The privilege of using the technology resources provided by the District is not transferable or extendible by students to people or groups outside the District and terminates when a student is no longer enrolled in the Overton Public School. 7.3 iPads Left in Unsupervised Areas

Under no circumstances should iPads be left in unsupervised areas. Unsupervised areas include the school grounds, lunchroom, computer lab, locker rooms, LMC, unlocked classrooms and lockers, dressing rooms, busses, and hallways.
