Kindergarten Enrollment Requirements: Students must be 5 years of age by July 31 to be allowed to attend Kindergarten. If your child turns 5 between August 1st and October 15th, you may request your child be assessed on their readiness for Kindergarten work. There is paperwork that must be completed prior to this assessment. You will need to contact the school to receive and complete the Written Request for Consideration of Early Kindergarten Entrance. The testing will take place this summer on a date to be determined.

Pre-K Registration: Pre-K Registration days for the 2016-2017 school year are as follows:

Wednesday, April 13th
Thursday, April 14th
Friday, April 15th

Registration is for both our 3 & 4 year old Pre-School. Students must turn 3 or 4 by July 31st to be eligible to attend Pre-School. Registration will occur from 9-11:30AM & 1-2:30PM on these days. If you are unable to attend these registration days, please contact me at school to set up another time.

NeSA Testing: This testing is our Nebraska State Assessment that every student in grades 3-8 & 11 will take in April. These tests will be in Reading, Mathematics, and Science. These tests are very important as we will be compared with every other school district across the state. Your help in re-enforcing the importance of these assessments to your children at home along with ensuring they are well rested and prepared when their test day arrives is greatly appreciated.

Thank you for your support of the school. If you have any further questions or comments, please feel free to contact me or stop by and visit.

Educationally yours,

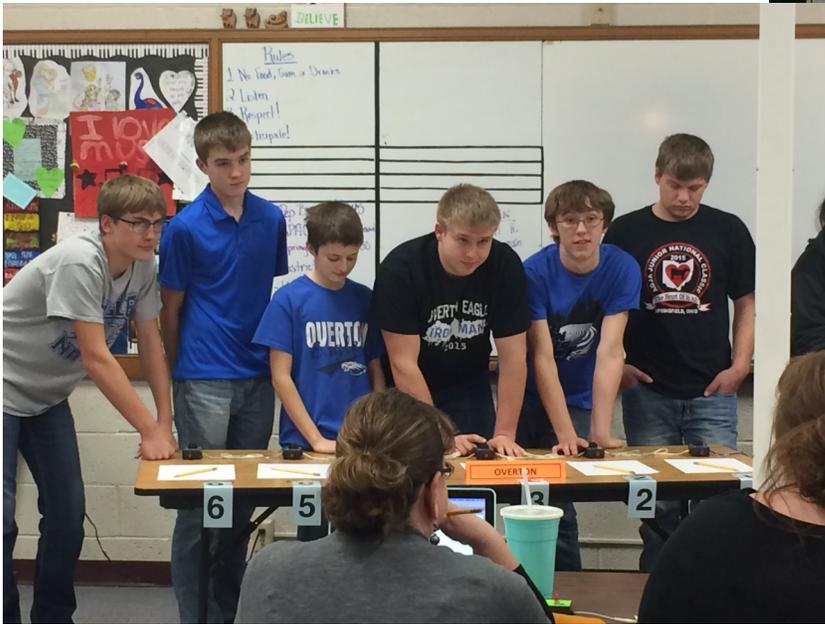

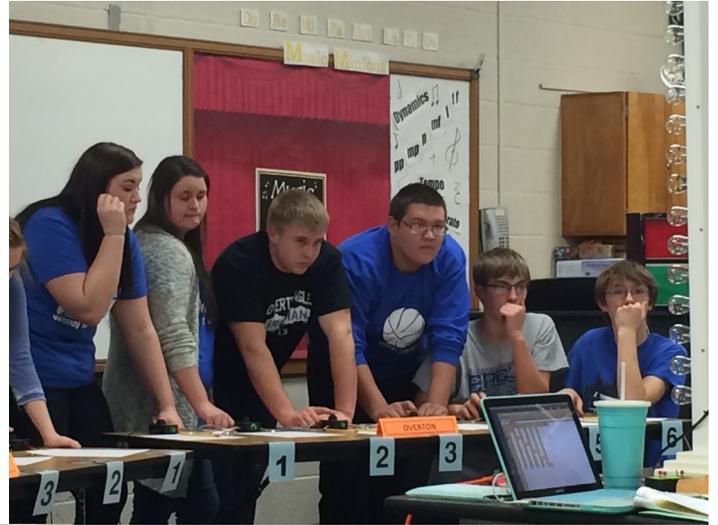

Mr. Brian Fleischman, Principal

Quiz Bowl

This month both Quiz Bowl teams were in action for Overton Public Schools. The High School Quiz Bowl Team has been in two meets. The first was held in Bertrand, where the Eagles took home 3rd place. Taking 1st was Southern Valley High School and taking 2nd was Holdrege High School. After another practice session the Eagles then headed to the ESU 10 Academic Bowl held at UNK. This was a double elimination tournament that had 30 teams split into two rooms. In Overton's room, the Eagles ended up in the semi finals against Kearney High. The Eagles then fell to the losers bracket and eventually got beat out by Gothenburg. Overall, the Eagles had a very impressive showing. The High School Quiz Bowl Team has one more meet this year, the FKC Quiz Bowl Meet on April 18th at Amherst. Please come and support your Overton Eagles if possible!

The Overton Junior High Quiz Bowl Team had just one meet to attend this year, hopefully it will be possible to add a couple more next year. The meet they attended was the ESU 10 Middle School Academic Bowl held at UNK. Again, there were over 30 teams there that were split into two rooms. The Eagles unfortunately lost to the first round to St. Paul, which put them in the loser's bracket. They bounced back in the next match to beat Loup City and went on to lose to Loup County. The Overton Eagles JH Team had an impressive showing for such a short season.

Character Clip from the Counselor

Because conflict is part of everyday life, it is important that students learn to recognize when they feel angry or hurt. The key sources of anger are stress, frustration, rejection, or isolation. It is equally important to talk to children about their true feelings and give them guided problem solving opportunities by modeling listening skills, perspective, negotiation and compromise, and of course, always showing compassion.

Identifying feelings and problems, then problem solving and making good choices is a very important skill, especially for our children today. Unfortunately, children often face difficult situations. The positive side of this can be that they have many opportunities to have the adults in their life teach and model for them positive ways to handle difficult situations. Children must be taught to use the power of their minds in a positive way to help them make good decisions everyday!

Ms. Stevens

Seniors & Senior Parents:

Have your taxes completed as soon as possible to make sure your child has every possible opportunity to receive financial aid for college.

Schedule an appointment with EducationQuest to complete the FAFSA!

The students have a folder of local scholarship that they can complete. Almost all students will qualify for almost all of the scholarships in the folder they were given. There are also a variety of college major or career specific scholarships available on my website. Some of the career specific applications can be found on-line, others are available from me, students can stop and pick one up if interested.

Please monitor your child's grades even more closely as graduation approaches. If your child is completing any on-line courses, those are due to Mr. Fleischman by April 15th.

If your child is a Senior Class Officer, please remember that you and your children are in charge of the Senior Breakfast before Graduation Rehearsal. The breakfast will be Friday, May 6th at 8:00 AM.

Graduation is Saturday, May 7th at 1:30 PM

Many scholarship applications will be due the middle of October and almost all final academic scholarships are due by November 15th. It will be very important that you have the best ACT score you believe you can achieve by this time. ACT information is available on my website.

You may want to begin to go on campus visits to colleges you think you are interested in. You can schedule your own visits or attend one of the College Recruiting or College Visit Days. Check your favorite colleges' websites for more information.
