School Happenings: It is that time of year again for testing. You might notice on the calendar that on March 19th, the NSCAS (state testing) window opens. NSCAS is the new name for state testing and replaces NeSA. This is the statewide assessment that all students grades 3-8 will be taking. The following subject areas are tested: Reading, Math, and Science. The Juniors will be taking the ACT on April 3rd as part of the statewide ACT testing for all Juniors. Student performance is vital on these assessments as we are compared with all other schools and students across the State. Please ensure that your students are well prepared during these testing periods with a good nights rest and balanced breakfast. The teachers have done a wonderful job providing our students with the information necessary to be successful on these assessments. Thank you for giving your best effort on the assessments.

Educationally yours,

Mr. Brian Fleischman, Principal

ATTENTION JUNIOR CLASS PARENTS-

The class voted in their prom theme-it will be 'Starry Night'. They also voted to make their theme pieces rather than buy cardboard decorations. Please talk with your student and find out what needs to be done to help-we have a volunteer to make a large moon and need volunteers to make stars and centerpieces. We also need parents to help chaperone the dance and haul back the trailer after the dance finishes. If you can help with any of this please email Mrs. Brooks-emily.brooks@overtoneagles.org or call 987-2424 ext 103. Thanks in advance!

Celebrating Nebraska Thursdays in the School Cafeteria!

Overton School has joined Nebraska Department of Education Nutrition Services as a 2017 pilot school to roll out Nebraska Thursdays! This statewide campaign celebrates farm to school by serving a Nebraska sourced meal in the cafeteria on the first Thursday of each month.

Participating in Nebraska Thursdays provides students and school staff with an opportunity to celebrate our local farmers and seasonal Nebraska foods.

"Nebraska schools want to bring local foods to the school lunch tray. This project will promote Nebraska foods and creates a pathway for these foods to be available on school menus, providing resources and materials for schools to take forward into purchasing, processing and promoting local foods in schools" says NDE Farm to School Coordinator Sarah Smith.

Would you like to be involved in Nebraska Thursdays? Help us celebrate by joining your child at lunch on Nebraska Thursdays, connecting the school with a local farmer, cooking a seasonal and local food at home with your child and start planning your own garden for next spring.

Thursday, February 15th definitely was the one of the favorite days of the whole year for our preschoolers. We were able to ride the bus to Kearney for a fun educational day at the Kearney Area Children's Museum! After learning about their 5 rules, we were able to explore lots of different areas including a grocery store and pizza parlor, exercise zone complete with trampoline, a real fire truck, police car, ambulance and mail truck, a science center with a rocket ship, water area, stage, agriculture area and many other fun building zones. The kids were so well behaved and respectful, we were so proud. We got to eat our sack lunches at the museum and play before heading home. Thank you to all the parent volunteers who helped made the day run smoothly.

Thank you for making education a priority in your child's life.

The 8th annual school spelling bee was held on February 13. Students in grades 3-8 could participate. Students started off spelling in a written round of 10 words. Scores on the written round determined how many came up on stage for the oral spelling.

Mrs. Lassen would like to thank those that helped with the spelling bee: Mrs. Marshall – announcer/judge, Mrs. Lynette White – judge, Mrs. Marlene Blythe – Judge, Mr. Christensen – sound set-up, Mr. Heusinkvelt and the 5th grade class – taking down tables and chairs.

Grades 3-4 Champion – Zach Converse, winning word: NERVOUS

Runner -up – Emma Potter

Grades 5-6 Champion – Caleb Elfren, winning word: NUCLEUS

Runner-up – Hayden Muirhead

Grades 7-8 Champion – Garrett Converse, winning word: LITERATURE

Runner-up – Abby Lawton

On January 31st, members of the Overton FCCLA chapter traveled to Mullen High School to compete in the District 10 STAR competition, where 12 members earned a trip to state. Earning **Top Gold District Champions** were Jordan Bidwell in Illustrated Talk, Sr., Sidney Enochs and Jaycee Wallace in Chapter Service Project Portfolio, Sr., Abby Lawton in Chapter Service Project Display, Jr., and Calli Weston in Interpersonal Communications, Jr.

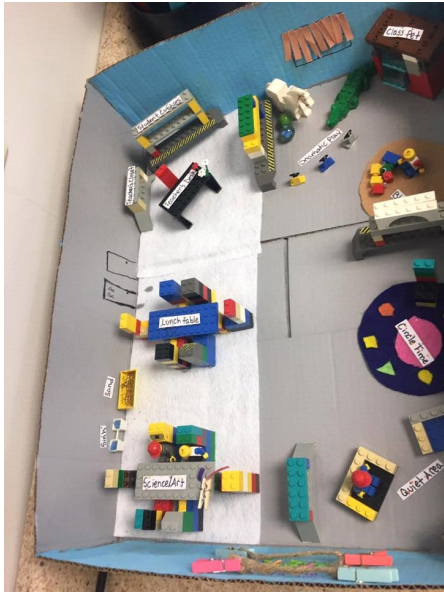

Top Silver District Champions were Rebecca Zeleski in Illustrated Talk, Jr., Stephanie Magnuson in Consumer Issues, Jr. and Jada Araujo and Alexzandria Rodriguez in Family Challenges and Issues, Jr.

District Runner-up honors went to Darcy Stewart in National Programs in Action, Sr., Megan Zulkoski in Health and Wellness, Sr., and Hannah Smith in Recycle & Redesign, Jr. Earning a silver medal and 3rd place was Diana Perdomo in Focus on Children, Sr. A new rule for Nebraska FCCLA this year allows both the district champion and runner-up to participate at the State STAR competition. Special thanks to Terah Smith and Lorna Lawton for traveling with the chapter and serving as STAR judges. **Congratulations to all of these STAR participants for their participation and success!**

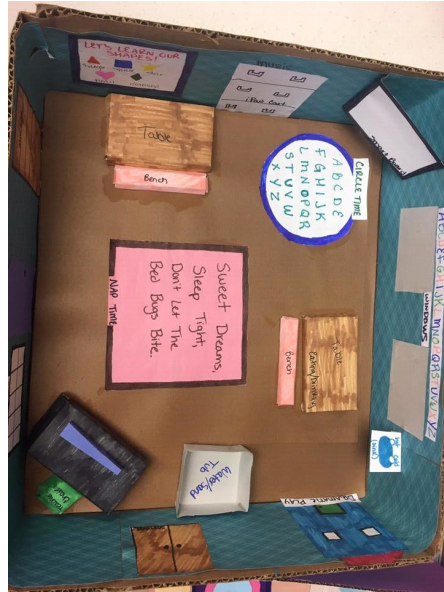

Congratulations to Diana Perdomo on being selected as one of eight Honorary Conference Assistants for the State FCCLA Conference. Diana will be helping with many behind the scenes activities during the three days of State Leadership Conference in April.

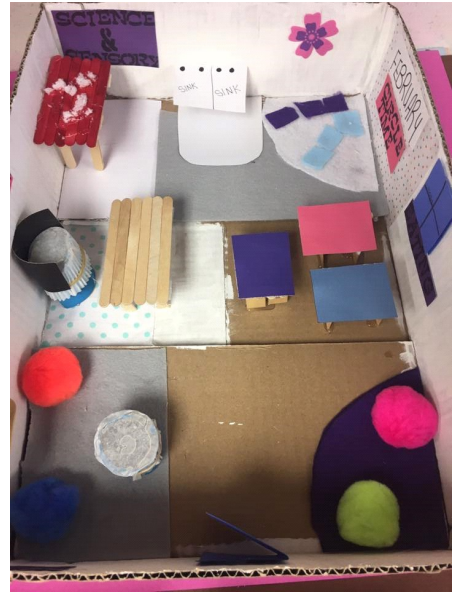

Mrs. Ehlers' Early Childhood Education class made models of preschool rooms for a recent project. The students had to come up with a design, layout, furniture and other equipment for their own preschool or daycare classroom. The students had fun designing these spaces and they all had very creative ideas!
