To parents and guardians:

Due to the global COVID-19 pandemic, the Board of Education has decided that all students must wear masks or other face coverings while they are at school or participating in school activities, with certain activity-based exceptions, unless their parent/guardian objects to their student being required to wear a mask or other face covering.

Please refer to the Scenario provided on our school website to understand the reason for our mask/face shield requirement.

**If you have no objection to your student wearing a mask while at school and related activities, you do not need to do anything.**

If you object to your student wearing a mask in order to reduce the risk of your student transmitting or contracting COVID-19, you must sign and return this opt-out form no later than **Friday, August 14, 2020.**

\*\*\*\*\*

I do NOT wish my student to wear a mask while at school.
