### Happy Soon-to-be-Summer Vacation from the Principal's Office

For all the craziness of this school year it has definitely flown by. Thank you to everyone for your efforts to keep us learning inside the classroom. In August we weren't sure if we'd make it to September but here we are just under a month from the end of the school year. As the year wraps up, be sure to check the calendars inside this newsletter for all the upcoming activities in May and all of the summer activities. There are so many things going on that it is not possible for me to list all of them here. Let's finish the year strong and have a great summer.

Teaching Staff: I would like to thank Mrs. Roos, Mrs. McCarter, & Mrs. McCoy for everything they have done for Overton Public School during their time here. I wish them the best in their future endeavors. I would like to welcome Miss Jodi Skallberg as our new Counselor, Miss Maddie Paitz as our Kindergarten teacher, and Miss Mackenzie Brand as our 2<sup>nd</sup> Pre-Kindergarten teacher.

Schedule Update: The winter weather we endured this year has caused us to go over two days for our snow day allotment. The last day of school will now be Friday, May 21<sup>st</sup>. Semester tests will be Thursday, May 20<sup>th</sup> & Friday, May 21<sup>st</sup> with both of these days being 2:30 dismissals.

Thank you for your support of the school. If you have any further questions or comments, please feel free to contact me or stop by and visit. Have a wonderful summer.

Educationally yours,

## CUMULATIVE FILE NOTICE!!!

If you graduated in the year of 2009 and would like your cumulative file, you can request your records. Examples of items these records may include are: academic testing, health records, copies of court documents, and school health records. The school is not liable for lost or missing files that may have or not have been included. We will continue to keep a permanent copy of your official high school transcript on file at Overton High School. As of AUGUST 1, 2021, cumulative files for these years will be destroyed.

If any former student/graduate from these years (2009) would like to obtain his or her file, please complete and return the records release form and return it to the school. Requests may also be made in person at the school, by completing the records release form available from Mrs. McCoy or Mr. Fleischman. Parents (or other relatives) may NOT pick up their

child's file without the school receiving prior authorization from the student to release them. Requests can be made until JUNE 1, 2021. Requested records will be sent out over the summer.

Mail the records release form to:

# OVERTON EAGLE SPOTLIGHT

APRIL 2021

## What is the Overton Eagle Spotlight?

The following list of students were nominated by their teachers to be recognized for different character traits that demonstrate the mission of Overton. Our school mission is being **Engaged, Empowered, and Enlightened.**

### ELEMENTARY

1st Grade- **Khloe Bidwell.** Khloe is the biggest cheerleader for her classmates. She is the first to compliment others, clap for them, and give high fives to her peers when they do something awesome. Khloe's positive behavior is contagious. She is genuine and she makes others feel good. She leads by example when it comes to character.

3rd Grade- **3rd Grade Class** as a whole because they have been troopers while we go through NSCAS review and they have been great at helping pick up the playground after recess!

### MIDDLE SCHOOL

5th: **Cooper Lux:** Cooper has shown great effort and teamwork in science.

6th: **Karma Beck:** Karma has been really focused in science lately, willing to answer questions and work well with teammates.

8th: **Kolt Suhr:** Colt has shown great effort in science and does great with hands-on activities.

# HIGH SCHOOL

9th Grade: **Noah Lees:** Noah has done a great job of staying on task, completing his work, and work well with peers.

Natalie Wood - **Natalie Wood** is a great competitor who gives her all and encourages others (from fellow teammates to athletes from other teams) to do the same!

## STAFF

**Ms. Heins:** Ms. Heins goes above and beyond to help students in her own classroom, in other classes, and with students' personal issues. The bond she has established with her students will last lifetimes. She is also a wonderful coworker!

**Autism**, or **autism spectrum disorder (ASD)**, refers to a broad range of conditions characterized by challenges with social skills, repetitive behaviors, speech and nonverbal communication.

April is Autism Awareness Month. Overton Public Schools and Overton Circle of Friends is taking part in helping to raise understanding and acceptance for individuals with Autism. Students school wide have participated by decorating and cutting out feathers that when combined, made a beautiful set of wings. These wings represent the fact that we are all different, and we are all imperfect, but together we form a strong beautiful bond of unity.

Circle of Friends members made amazing Bulletin Boards to remind students that while we are all different, we are all wonderfully made. They also hung posters around the school to help raise awareness.

OHS students will receive pencils, stickers, and a special treat this week. We also plan to take group pictures out in front of school by our amazing Card My Yard display.

Amy Denny of Card My Yard in Kearney, designed a great reminder to us all –  
**Autism Awareness ..... Love Needs No Words!**  
Thanks to Amy for her very creative, kind display.

Overton Circle of Friends and Overton Public Schools are dedicated to continuing the quest to raise awareness for not only Autism, but for all differences no matter what it may be. We strongly believe that we are one amazing community because of our differences. We plan to continue to spread that message wherever we may be, but especially at Overton Public Schools. Go Eagles !!!!

From the Spanish Department:

This month I would like to highlight my Spanish 3 students. We recently took a brief field trip to Lexington to experience authentic Central American cuisine and to observe the dual language program at Bryan Elementary School. Soon these young ladies will be turning the page in their educational journey. ¡Muchas Felicidades señoritas!

Lexi Reil-Lux, Rosalinda Perdomo, Samantha Sarratt and “la maestra” enjoy frijoles, plátanos fritos, tamales, y pupusas at El Viejo Rinconcito.

As of the end of this school year, I will be retiring from my position as Spanish teacher. I would like to thank the good people of the Overton Community for entrusting me with your students during the past 23 years. It has been a great blessing and privilege to be a part of their educational journey. I have even had the opportunity to have a few “grandstudents” (children of former students!) in my classes.

Overton School will always hold a special place in my heart and my wishes are for its continued success in preparing young people for the wide, wide world.

Sincerely,

“Sra.” Kathleen Roos

NEWS RELEASE

April 13, 2021

## **Melissa Eilers and Her Students at Overton Public School Named to Renaissance National Honor Roll for Significant Assessment Achievement.**

**Overton, Nebraska** –A local educator has been named to the [Renaissance National Honor Roll](#) for outstanding performance in advancing students' achievement in assessment.

[Renaissance](#), a global leader in pre-K–12 education technology, recognizes educators around the nation who have implemented assessment mastery programs successfully and have led their students to meet or exceed data targets that research shows lead to significant student growth.

Melissa Eilers, Fourth Grade Teacher at Overton Public School, earned this distinction by guiding effective implementation of [Star Assessments](#). Star Assessments guide students to greater growth with standards-based, computer-adaptive assessments that measure students' comprehension, monitor achievement and growth, and track understanding of Focus Skills aligned to state-specific learning standards.

National Honor Roll helps educators tap into the power of Star Assessments by guiding their implementation in ways that promote and accelerate student growth. Renaissance provides educators with research-based data targets for reading and math practice, interim and formative assessments, as well as strategies that lead to an effective and sustainable implementation. Over the course of the school year, educators implement the programs with fidelity, while striving to achieve data points that research has shown result in greater student growth. Participating in National Honor Roll provides educators the ability to engage in conversations with fellow educators using the programs via Renaissance Royals, a community for Renaissance educators.

## OVERTON NEEDS YOUR HELP!

Overton Communities for Kids (C4K), is hoping to obtain data with the mission to better understand our community's current child care quality and capacity landscape. Anyone who lives and/or works in Overton and the surrounding area (Rural Overton, Sumner, Loomis, Bertrand, Elm Creek, Kearney, Lexington) with or without young children, are encouraged to fill out this survey. Once the survey results are collected and analyzed, the data will be shared with the Overton community to build partnerships in finding and addressing solutions to the needs identified in the survey responses.

As a thank you for taking the time to participate in the survey, we are offering a drawing for the following listed prizes. (To maintain confidentiality of the survey participant, contact information will be used for prize drawing only and will not be associated with any collection of data).

Overton Golf Course

Flatwater Food and Automotive

Lexington Children's Museum Passes

A week's worth of daycare (up to \$120)

Shively Repair (Oil Change Service \$60 value)

Majestic Theatre Passes

Walmart gift card

Elm Creek Pool Pass

Lexington Pool Pass

Preston & Lindsay Meier (Meat Package \$70 value)

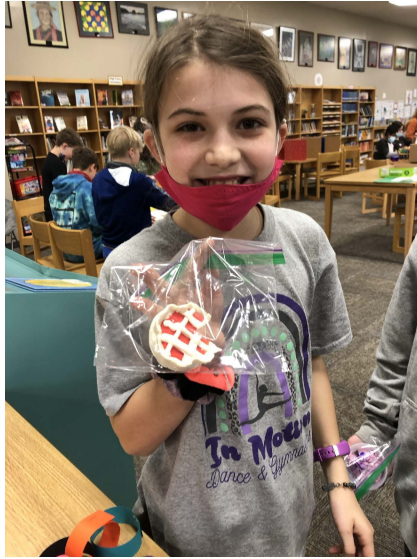

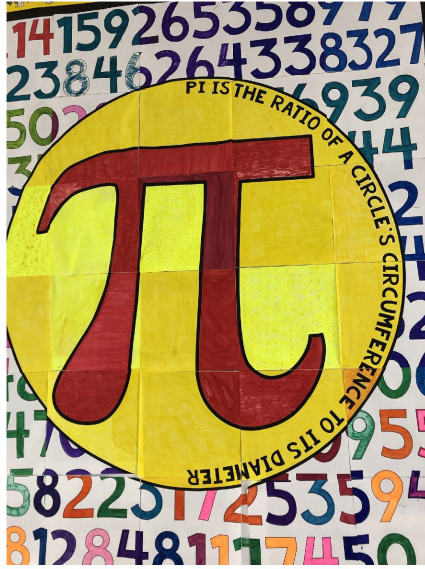

Open your camera on your smart phone or tablet, hover the camera over the QR code below, and you will be directed to a survey link to get started! We would like all adults in the household to take the survey if possible. (You will need to use different devices to do so). Thanks for your help! We are looking forward to helping our community.

## Pi Day 2021

The fifth and sixth grade classes celebrated Pi day (3.14) on Monday, March 15. They created edible pudding pies, playdough pies, 2-D pies, played Pi Tenzi, and made paper chains representing the digits of pi. There was also a challenge to memorize as many digits of pi as possible. Sixth grade students also learned to use Google forms to create pie graphs and read about the history of pi.

# RECOMMENDED SLEEP TIMES

## Newborns (0-3 Months) 12-18 Hours

- Observe baby's sleep patterns and identify signs of sleepiness
- Put baby in the crib when drowsy, not asleep
- Place baby to sleep on his/her back with face and head clear of blankets and other soft items
- Encourage nighttime sleep.

## Infants (4-11 Months) 12-15 Hours

- Develop regular daytime and bedtime schedules
- Create a consistent and enjoyable bedtime routine
- Establish a regular "sleep friendly" environment
- Encourage baby to fall asleep independently

## Toddlers (1-2 Years) 11-14 Hours

- Maintain a daily sleep schedule and consistent bedtime routine
- Make the bedroom environment the same every night and throughout the night
- Set limits that are consistent, communicated and enforced. Encourage use of a security object such as a blanket or stuffed animal

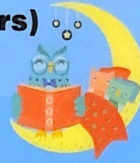

# RECOMMENDED SLEEP TIMES

## Preschoolers (3-5 Years)

### 10-13 Hours

- Maintain a regular and consistent sleep schedule
- Have a relaxing bedtime routine that ends in the room where the child sleeps
- Child should sleep in the same sleeping environment every night, in a room that is cool, quiet and dark – and without a TV

## School-aged (6-13 Years)

### 9-11 Hours

- Teach school-aged children about healthy sleep habits
- Continue to emphasize need for regular and consistent sleep schedule and bedtime routine
- Make child's bedroom conducive to sleep – dark, cool and quiet
- Keep TV and computers out of the bedroom
- Avoid caffeine

## Younger Adults and Adults (18-64 Years)

### 7-9 Hours

- Stick to a schedule, even on weekends
- Practice a relaxing bedtime ritual
- Exercise daily
- Beware of hidden sleep stealers like alcohol and caffeine
- Turn off electronics before bed

## **Overton FCCLA Celebrates 75 Years of FCCLA at Virtual State Leadership Conference**

The FCCLA Creed ends with the line “We face the future with warm courage and high hope.” Throughout this school year we all needed a little courage and a great deal of hope that things would continue to go as “normally” as they could. Unfortunately for FCCLA and other CTSO's in Nebraska, “normal” didn't happen in the form of in-person competitions and State Leadership Conference. On April 12-13<sup>th</sup>, Nebraska FCCLA held its first ever Virtual State Leadership Conference. During the two-day online event, FCCLA members were able to watch opening and closing sessions live with the State Officer Team, participate in live Zoom sessions with some incredible presenters and participate in a community service project that helped spread a little sunshine throughout the community. Although the event was not what we hoped it would be when the school year started, our chapter had a great time learning about new ideas and spending time together.

## Overton FCCLA Spreads Sunshine

This year for our State Leadership Conference service project, the FCCLA Chapter asked for nominations of someone who could use some sunshine either to brighten their day after a tough year or to recognize how they have gone out of their way to make other's lives better. We enjoyed reaching out to people in the community and we plan to do this again before the year is over. Here are some of the deliveries we were able to make in person.

## 4<sup>th</sup> Grade Students and Parents!

One big key to success in 5<sup>th</sup> grade is organization! The teachers understand that the students are learning many new things and will help them open lockers, finding the correct books, etc. There are steps you can take as a family to help with organizational skills. First, we encourage 5<sup>th</sup> graders to invest in a zippered binder. This will allow them to keep notebook paper, writing utensils, and class folders all in one location. Secondly, color-coding classes helps tremendously. For instance, all science materials can be green, so the student will have a green notebook, folder, and stretchy book cover for that class - social studies items might all be blue, math-red, etc. Also, buying a locker shelf to help divide the locker into upper and lower sections can assist in keeping supplies more easily accessible. Something I would suggest purchasing early is a locker shelf.

On the first day of school, all 5<sup>th</sup> graders will receive a planner. Please participate in this organizational and communication tool, and encourage and help your child to use this tool. The expectation is that he/she write their class assignments in the planner and bring the planner home each day so you, as a parent, can see what assignments have been given. Students should be taking their planner with them to each class, as they also contain passes to the library, bathroom, etc.

### General 5<sup>th</sup> Grade (Middle School) Supply List\*

Locker Shelf

Zipper Binder

Notebooks (1 red, 1 blue, 1 green, 1 yellow etc...)

Folders (1 red, 1 blue, 1 green, 1 yellow, 2 free choice colors/design etc...).

Pencils (Mechanical pencils are fine and preferred by some teachers to avoid sharpening).

Erasers

Blue and Black Pens

Red Pens

Highlighters

Colored Pencils

Pencil Bag(s) (2 would work best. One for the bulk of their supplies to stay inside their locker.

One with the rings that they can place inside their zip binder for a few daily supplies).

\* Teachers will share other requirements and request other supplies when student meet with them at the beginning of the school year.
