Greetings from Mr. Fleischman's Office

It has been an amazing start to the new school year. Our Elementary students have shown a great work ethic that will help them be successful throughout the school year. Students remember to keep working hard to achieve great success. Success doesn't fall into your lap; you have to earn it through hard work. As we transition into fall, thank you parents for ensuring your child is dressed properly as the days turn cooler.

Live Streaming Events: We are continuing to use Hudl TV to stream our events for the 2024-2025 school year. Live events may be watched on our Hudl TV Channel (<https://fan.hudl.com/usa/ne/overton/organization/119/overton-public-high-school>) or our Overton Eagles Fan page for up to date events and highlights from past games.

Attendance & Punctuality: Good attendance is one of the most important factors in a student's success in school. Students easily fall behind when they are repeatedly absent from school. Taking care of your health by getting a good night's sleep, eating properly, and maintaining good hygiene is a great way to help improve attendance. Thank you parents for all you do to help prepare your child for success in school each day.

Educationally yours,

Mr. Brian Fleischman, PS-4 Principal/AD

Update from the MS/HS Principal

We've had a great start to the school year! Students and teachers are settled into routines, and households have adjusted to the rhythm of school life once again. Parents, please continue to help by ensuring your child gets a good night's sleep—it makes a big difference in their success.

Attendance Matters

Regular attendance is vital for students to get the most out of their education. If your child is sick, please call the school office in the morning as soon as possible. If they need to leave for an appointment, bring a parent note to the office in advance. When returning, students should check in at the front office and provide a doctor's note so the absence can be excused.

Fall Sports & Activities

MS/HS fall sports and activities are in full swing. Extracurricular programs give students wonderful opportunities to build lasting friendships and develop skills beyond the classroom.

Middle School Positive Behavior Program

Our Middle School Monthly Positive Behavior Program is off to a strong start! Teachers are "Catching Students Doing Something Good" and sharing it with me, so I can recognize and reward them. Students of the Month are celebrated with treats and a picture featured on Overton School media. It's encouraging to spotlight positive behavior, not just the challenges.

September Highlights

- MAP Testing (Grades 5–11)
- Homecoming (Sept. 12)
- Parent-Teacher Conferences (Sept. 17)

Looking Ahead to October

- End of the 1st Quarter (Oct. 10)
- No School (Oct. 16–17)
- End-of-season playoffs for fall sports

School & Parent Communication

Thank you to everyone who attended Parent-Teacher Conferences. Please remember that communication doesn't end there—stay in touch with your child's teachers if you have any questions or concerns. Parents play an essential role in every student's success.

Educationally yours,

FFA Update - September Edition

Welcome to another year of FFA! So far, we held our annual kickoff meeting on August 12th and played cornhole as part of it. We had a great time just hanging out and having fun.

We also attended the Governor's Youth Summit in Kearney. Students were able to hear from guest speaker Coach Matt Rhule and learn about career opportunities across our state.

We competed in Hayes Center, NE for Area 3 Range Judging on September 10th. Meagan Lassen earned 10th place in the junior division. Paige Walahoski, Mason Dutro, and Toby Orvis also gave it a go.

Finally, we have had a parade of guest speakers in the ag classes this month! Dave Behle spoke about entrepreneurship opportunities. Ryan Strobe and Spencer Pleschourt from the USDA speak about loan opportunities ONLY available to youth. Pete Curr and Guy came from WyoTech to encourage students to learn more about their trade school.

Upcoming Events:

October 6th - Chapter Meeting at 7pm (Pumpkin Decorating)

October 7th - Concessions for the Gibbon Volleyball Game

October 8th - Land Judging in Imperial (Chase Co). AND Livestock and Poultry Judging in Ord

October 28-31 - National FFA Convention and competing in Natural Resources

The page is framed by a decorative border of colorful cartoon-style books and pairs of glasses. The books are in various colors including blue, yellow, orange, green, and brown, and are shown in different orientations (open, closed, or slightly tilted). The glasses are simple line drawings with round lenses. Small orange starburst graphics are interspersed among the books and glasses.

AR REMINDERS

Can AR tests be taken on books from home or another library?

Yes, as long as it is in the correct level.

How can I find if a personal book is the correct level?
arbookfind.com will give you the level of any book that has an AR test

How do I know how my student is doing?
Mrs. Lassen can set up parent notifications via email so you can see how your student does on every AR test they take.

Contact Mrs. Lassen in the library for other library or AR-related questions. alicia.lassen@overtoneagles.org

If a child's growth or development is slower than that of other children the same age, it is best to check it out as soon as possible. The same is true if a child has a health condition that could impact development. Many children do not out-grow a problem and they may need extra community services and support to live healthy and successful lives. Early Development Network (EDN) is here to help. EDN provides services to young children with delays or disabilities and their families at no cost to the family. Our network is staffed by caring professionals who will listen and respect families. Together we will help coordinate resources and services that best meet the needs of each individual family. Support may include, but is not limited to:

Services Coordination

Early Childhood Special Education

Parent to parent support

Respite Care

Transportation

Speech/Language Therapy

Physical Therapy

Occupational Therapy

Psychological Services

Vision Services

Audiology

Assistive technology devices and services

Other services may be provided based on the needs and eligibility of the child and family.

If you or someone you know has questions or concerns about a child's development, please call a Services Coordinator at:
